

CrossFilm™ Wiper Seal

100% PTFE CROSSFILM™ WIPER SEAL FOR FLOATING ROOF SEAL APPLICATIONS

CrossFilm™ Wiper Seals are the ideal long-term, cost-effective tank wiper solution. Unlike urethane wipers, CrossFilm Wiper Seals are unaffected by UV and chemical exposure, making them incredibly versatile for all types of storage tanks.

The CrossFilm process produces a PTFE material with exceptional 360 degree tear strength and durability, ensuring a long-lasting, rugged product. Additionally, CrossFilm Wiper Seals are guaranteed corrosion-free and have demonstrated negligible wear after more than 22 million cycles and more than 265,000,000 feet (81,000,000 meters) in simulated testing. These numbers prove the unparalleled durability of CrossFilm for wiper seals and other floating roof seal applications.

CROSSFILM™ WIPER SEAL FEATURES

- **Guaranteed corrosion-free**
- **Versatile for all storage tanks**
- **Unaffected by UV and chemical exposure**
- **Unparalleled durability**
- **Nonporous even after severe flexing**
- **Negligible wear after more than 22 million cycles and more than 265,000,000 feet (81,000,000 meters) in simulated testing**
- **Surface resistivity: < 300,000 ohms/sq**
