

Expansion Joint Fabrication

IN-HOUSE EXPANSION JOINT AND CUSTOM PRODUCT FABRICATION BY TCI

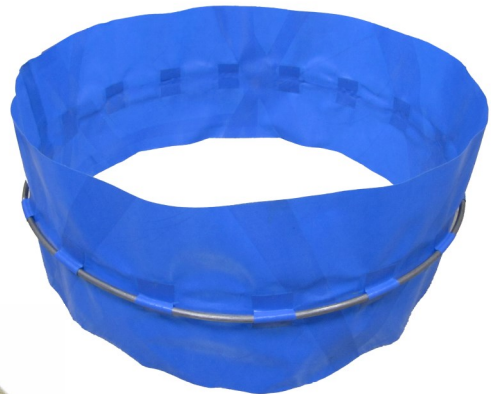

As a manufacturer of PTFE composites and laminates, TCI specializes in the fabrication of products using our high performance materials. We offer many standard products such as spray shields and flexible ducting manufactured from CrossFilm™ Industrial Product. Made-to-order products include expansion joints, flexible connectors, insulation pillows, PTFE molded cooking/baking containers, and a number of other specialty products. Our skilled fabricators and uniquely engineered processing equipment enable us to create exceptional, individualized, solutions where standard products have either proved unsuitable or prematurely failed. Also, in addition to our product services, we offer fabrication instructions and production equipment to TCI customers for their own manufacturing purposes.

SERVICE FIRST - CUSTOMER SATISFACTION IS OUR #1 PRIORITY

Our unrivaled expertise and willingness to provide custom solutions has made us the world's leading manufacturer of PTFE expansion joint materials, we have decades of experience fabricating expansion joints from the highest quality products. Please contact Sales at +1 (603) 296-2221 or sales@textilescoated.com for more information.

Some applications for TCI's fabricated products include:

- Expansion Joint Products & Flexible Connectors
- Insulation Pillows
- Flexible Ducting
